NOTE: Psychological Evaluations (e.g., ADHD, dementia, diagnostic consultation, etc...)

Most evaluations include an (a) initial interview, (b) 1 to 2 hours of testing and (c) a feedback interview; resulting in a total cost of \$550-\$700 prior to adjustments. In infrequent circumstances additional testing or more extensive records review will increase service cost.

Psychological testing and evaluation is NOT available for legal proceedings or purposes (e.g., adoption, child custody, divorce, forensic assessments).
